### Community Partnership Assessment

HealthONE supports a wide variety of organizations in the Denver metro area and surrounding regions, but attempts to focus philanthropic efforts in the following areas:

- Mental Health Support for the Underserved
- Engaging Families in the First Three Years of a Child's Life
- Secondary and Community College Education with a Focus on Health Careers

In addition, support of military families in all three of the aforementioned focus areas will be given priority. In an effort for HealthONE to consider your request, please complete the following form with as much detail as possible.
