

Parking and Hospital Access During Construction

September 2021 – Summer 2022

Labor & Delivery Entrance

Presbyterian/St. Luke's Medical Center has been caring for moms and babies for over 140 years and we are honored you chose us to care for yours.

We are undergoing an exciting renovation and want to make sure you know exactly how to get to our Labor and Delivery floor when the time comes. Please take a moment to review our latest parking and entrance information.

Rest assured, when you arrive you will find our knowledgeable team ready and committed to making your labor and birthing experience safe, healthy and memorable! We can't wait to see you!

5:00am–7:00pm

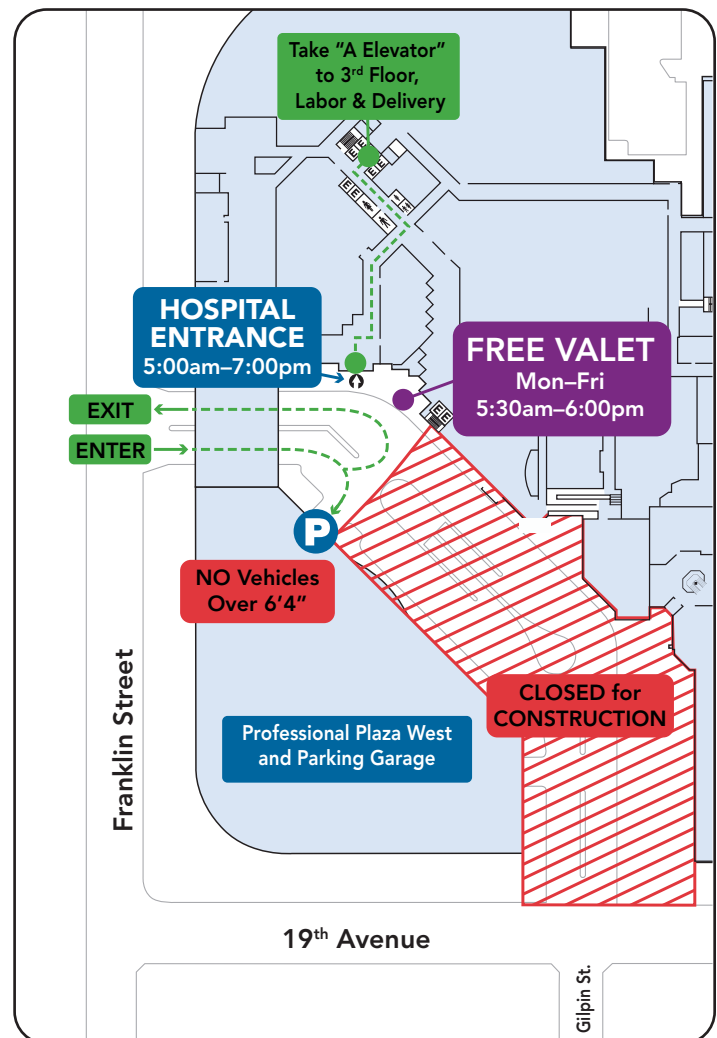

How to Find Us: 5:00am – 7:00pm

- ❁ Enter the hospital using the main entrance at 1719 East 19th Avenue from Franklin Street.
- ❁ We recommend using our free valet service Monday – Friday between 5:30am–6:00pm.
- ❁ Take “A” elevators to the 3rd floor to reach the Labor & Delivery Unit.

Things to note:

- ❁ If you or your birth partner are experiencing cold and flu symptoms (fever, cough, runny nose), enter the hospital through the Emergency Room at 2001 N High Street.
- ❁ All patients and visitors are required to wear a mask while in the hospital.

Labor & Delivery After Hours Entrance

Presbyterian/St. Luke's Medical Center has been caring for moms and babies for over 140 years and we are honored you chose us to care for yours.

We are undergoing an exciting renovation and want to make sure you know exactly how to get to our Labor and Delivery floor when the time comes. Please take a moment to review our latest parking and entrance information.

Rest assured, when you arrive you will find our knowledgeable team ready and committed to making your labor and birthing experience safe, healthy and memorable! We can't wait to see you!

After Hours 7:00pm–5:00am

How to Find Us: 7:00pm – 5:00am

- ❖ Enter the hospital using the main entrance at 1719 East 19th Avenue from Franklin Street. Turn right into parking garage.
- ❖ Follow Labor & Delivery signs and park on level P1 or P2 near the hospital elevators.
- ❖ Use the Security Phone in the elevator lobby to contact our security team. Let them know you are in labor and they will unlock the elevators so you can gain access to the hospital.
- ❖ Take the elevators up to the main floor, then walk across the hall to the "A" elevators.
- ❖ Take "A" elevators to the 3rd floor to reach the Labor & Delivery Unit.

Things to note:

- ❖ If you or your birth partner are experiencing cold and flu symptoms (fever, cough, runny nose), enter the hospital through the Emergency Room at 2001 N High Street.
- ❖ All patients and visitors are required to wear a mask while in the hospital.
